Wildfires in Yellowknife, N.W.T

August 18, 20223

Dear Valued Customers,

Brink's Canada wishes to extend our most heartfelt sympathies to the residents of Yellowknife (and surrounding areas) as they manage through the devastating wildfires wreaking havoc through and around the city.

We have been monitoring events around the city and territory. As well as connecting with any of our employees and customers affected, following the evacuation orders. The safety of our employees is paramount - we are in constant contact with all of them and have extended support during this time of uncertainty.

All Yellowknife branch employees and their families are safe and we continue to partner with our clients in the area.

You can be assured that Brink's is taking precautions and necessary actions to properly address all possible impacts from this event. We will continue to do our best to support all of our valued customers in the affected areas.

Thank you and stay safe

The Brink's Team
